# Kiosk One

# Kiosk One

## Invidiabile silhouette

Kiosk One è il minuzioso risultato di una progettazione attenta e focalizzata all'essenziale. Eliminando tutti i dettagli che si potevano eliminare, si è ottenuto Kiosk One, un totem multimediale dal design davvero minimalista.

Spesso solo 14 cm, Kiosk One presenta un luminosissimo display da 19" con funzionalità di touchscreen.

Ideale per i nuovi flagship store e sale meeting, dove l'essenzialità e le funzionalità avanzate fanno da protagonista.
